Hilton Austin
500 East 4th Street
Austin, Texas USA

LIMITED SPACE AVAILABLE REGISTER TODAY!

www.irfnews.org

Introduction

Development of Performance Based Maintenance Contracts continues to evolve as more and more transportation agencies become involved in this activity. This approach is an effective strategy to perform highway maintenance on existing infrastructure and newly constructed facilities that may be part of a Design, Build Maintain type of contract.

This workshop is designed to help road operators and agencies around the world find ways to lower operating costs and better cope with financial pressures. Top public & private sector experts from the United States and Canada will present case studies, lessons learned and new

Why Attend

- *Connect with High Level Decision Makers*
- *Interactive Expert Panel Discussions*
- *Limited Attendance*
- *Learn About New Risk Allocation & Mitigation Techniques*

Target Audience

- **Road & Transport Agencies Executives**
- **Engineers and Managers who are involved in Highway Maintenance**
- **Private Consultants & Contractors**
- **Service Providers**
